To: All Members of the Stamford Fire Rescue Department

RE: Firefighter of the Year 2010 – Lt. James B. Arndt

Fire Lieutenant James B. Arndt has been chosen as the 2010 “Firefighter of the Year” for his outstanding & unconditional service and contribution to this department.

Jim has devoted an exorbitant amount of time to establishing the MDT system, Firehouse maintenance, PC & printer repair and maintenance, and the dispatching of paging & emergency notifications for incidents to the department.

Jim has effectively performed numerous tasks related to departmental projects which would not have been completed with out his willingness and commitment to said projects. Jim continuously is at the ready, at a moment’s notice, for any and all requests asked of him. Jim is extremely reliable and has the tenacity to follow through regardless of the challenges faced, in order to get the job done.

Thank you and Congratulations, Lieutenant James Arndt.

Respectfully,

  
Robert J. McGrath Fire Chief
